

Extreme Pressure GL-5, GL-4 Gear Oils

SAE 80W-90 / 85W-140 GL-5

Everest GL-5 Extreme Pressure Gear Oils meet a wide range of operating temperatures and are recommended for make-up or refill of high-speed, high-torque, high-horsepower manual transmissions, conventional differentials, hypoid and other gears in industrial, automotive, trucking, construction, farm, and other off-highway applications. They are also suitable for top-off in limited slip differentials.

Everest GL-5 Extreme Pressure Gear Oils have improved frictional properties and are formulated with advanced additives to prevent rust, oxidation, and wear, helping extend component life and reducing operating costs. They have been field tested to meet GL-5, MT-1, MACK GO-J, MIL-PRF-2105E, MIL-L-2105D, and SAE J2360 service requirements.

SAE-90 / SAE-140 GL-4

Everest multi-purpose gear oils are blended from selected high viscosity base stocks and advanced additives. They provide superior extreme pressure, oxidation stability, rust, corrosion, anti-wear, anti-scuff, and anti-foam protection. They are recommended for use where API GL-4 gear oils are specified.

USGLOBAL PETROLEUM

9101 W. Fullerton Ave • Franklin Park, IL 60131
Tel: 773-376-9660 • Fax: 773-376-9661

US Global Petroleum is an oil manufacturer and a global distributor of API licensed quality lubricants, hydraulics, and chemicals. We are Certified ISO 9001, ISO 14001, and ISO 45001.

BRAND PORTFOLIO

EVEREST • EVEREST EUROLINE • ROVER
PETROMERICA • GOLDEN STALLION • ILAST

APPROVALS

DETROIT DIESEL DFS 93K218 • DEXOS®1
MB-Approval 229.3 • MACK EO-O Premium Plus
Porsche A40 • RENAULT RLD-3
VOLVO VDS-4 • VW 502.00/505.00
DEXRON®VI

We continuously develop a knowledge base for our customers to help them understand the latest technology trends in the industry. We sell more than oil - we offer ongoing customer support and build strong business relationships to grow our business together with our customers.

Gear Lubricants

EVEREST®

Advanced Multipurpose Gear Oil

Full Synthetic HDX EP Gear Oils

75W-90 Full Synthetic

API GL-5/MT-1, MACK GO-J Plus, SAE J2360, MIL-L-2105D, MIL-PRF-2105E, U.S. Steel 224, International TMS 6816, Eaton E 500, ZF TE-ML 07A/0

75W-140 Full Synthetic

- Sludge and deposit control
- Wide multipurpose capability
- Superior thermal stability
- High torque protection
- Excellent corrosion protection

80W-90 Full Synthetic

- Advanced corrosion inhibitors
- Helps extend service life
- For extreme high pressure
- Resistance to thermal degradation
- Resistance to foaming

AVAILABLE IN: Quarts • Gallons • 5-Quarts
• 5-Gallon Pails • 6-Gallon Eco BIB Boxes
• 55-Gallon Drums • 265/330 Gallon Totes
• Bulk: 6280 Gallon FLEXI Tanks

Everest Full Synthetic HDX GL-5 Extreme Pressure Gear Oils Full Synthetic HDX GL-5 Extreme Pressure Gear Oils are highly versatile gear oils engineered to meet a wide range of operating temperatures and applications. They are recommended for make-up or refill of high-speed, high-torque, high-horsepower manual transmissions, conventional differentials, hypoid, and other gears used in industrial, automotive, trucking, construction, farm, and other off-highway applications. They are suitable for top-off in limited slip differentials and are suitable for extended drain for MAN.

Everest Full Synthetic HDX GL-5 Extreme Pressure Gear Oils provide robust performance in automotive applications and have an extensive history of trouble-free performance and overall cost savings at all treat-rates. They have improved frictional, thermal stability, and thermal durability characteristics and are formulated with highly specialized advanced additives to prevent rust, oxidation, and wear, thereby helping to extend component life and reduce operating costs.

***WE CAN HELP.** We are recognized experts in import/export compliance and hazardous shipment handling.*

Our high-capacity plant incorporates a modular construction organizational layout and the latest high-tech equipment to produce a complete range of specialized lubricants geared to meet key industrial specifications at an outstanding price-to-performance ratio. We maintain precise quality control at all stages of production and conduct constant research and rigorous laboratory testing to ensure the highest standards of quality and a truly extraordinary line of lubrication products.

Our affordable prices grant us the ability to quickly adapt to the needs of today's ever-changing market. We can quickly satisfy any product requirements you may have and just as quickly supply any new specialized products you may require in the future.

Today's companies need to think globally in terms of marketing and distribution. US Global Petroleum is a leading expert in import/export compliance and hazardous shipment handling. We can help your company navigate the complex world of international product supply and demand. To contact one of our experienced North American, European, Latin American, Middle Eastern, Northern Africa, or Asian Sales Executives please visit:
