Everest Heavy Duty Diesel Engine Oil is a superior single-viscosity lubricant recommended for all types of on and off-road naturally aspirated, turbocharged, or supercharged diesel, gasoline, and propane engines. It minimizes sludge and varnish formation and provides outstanding anti-wear protection, deposit control, and extends overall engine life under the toughest driving conditions.

Everest Heavy Duty SAE-40 CF-4 Diesel Engine Oil meets or exceeds CF/CD classifications and has been field tested to be comparable to many American, Asian and European manufacturers’ standards where a Heavy Duty CF-4 engine oil is recommended.

- Service Classification CF-4 / SL
- Resists breakdown in the most severe engine environments
- Fights formation of sludge and varnish deposits that reduce engine life
- Provides excellent protection to critical turbo unit components
- Excellent wear, corrosion, and rust protection
- Resist oil thickening by providing advanced oxidation control
- Helps reduce oil consumption by fighting volatility and oil evaporation

Typical Characteristic
SAE-40 Heavy Duty Motor Oil
